# STATION HOUSE

By day, Station House is a marriage of business, technology, finance, real estate, and the arts, brought together to create one complete networking community. By night, Station House is an eclectic paradise that many have named a "hidden gem" in Saint Petersburg.

A concept that emphasizes its historic DNA as a 1911 landmark warehouse and hotel, with a modern sense of styling and technology, adjoined in harmony to meet the humans' instinctive desires for community and social interaction. From corporate holiday parties and fundraisers to rehearsal dinners and dream weddings, Station House St. Pete is a venue that is sure to leave you breathless!

## SECOND FLOOR

Coffee + tea lounge by day, gorgeous event space by night, the 2nd floor is a versatile option for dining or cocktail style parties. This floor is also an attractive alternative for unexpected weather. Upon entry, eyes are immediately drawn to the grand chandelier, which serves as a great location for a sweetheart table.

The existing furniture can easily be re-purposed, creating a truly unique wedding design. After dinner, the entrance with classic black and white checkered floors can convert to an excellent dance space where guests can dance the night away.

# FOURTH FLOOR

The 4th Floor Rooftop Terrace is our most popular event space. This unique space contains an upper and lower lawn perfect for a ceremony, cocktail reception, intimate dinner, or dance floor. The "Phone Room" provides a great location for a photo booth, guest book table, or general hang-out area. Guests will love taking photos in front of the Instagram worthy neon sign and tropical wallpaper.

## PARKING

Limited and metered at an hourly rate. The two closest parking garages are the McNulty Rowdies Parking Garage and the SouthCore Parking Garage. A percentage of downtown metered parking ends after 8pm. Valet parking is not readily available due to our location. Valet can be hired through an offsite company, but would require negotiating permits with the City of St. Petersburg. Parking garages are typically \$5-\$10 per car depending on location, proximity and area events. We of course also recommend the use of Uber / Lift services.

## WEDDING PLANNER

It is required to have a wedding planner or day-of-coordinator for each wedding at Station House. A day of coordinator may not be a member of the wedding party and cannot attend the event. They must be available at all times to coordinate items such as: facilitating the wedding timeline, load in and out of contracted vendors, set up and clean up of all personal provided by the client, etc.
